

Business Update & Party

Brief

- » To hold a company update meeting with a difference
- » Time needed business update meeting and also a celebration of achievements
- » Themed meeting room and entertainment

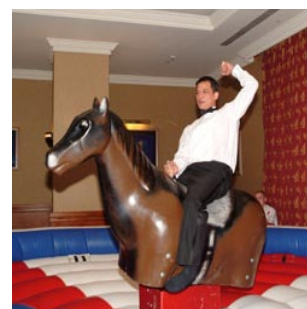

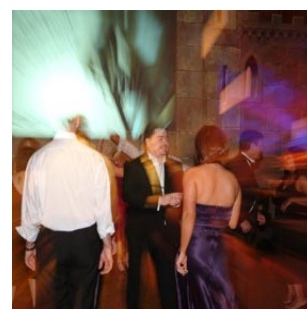

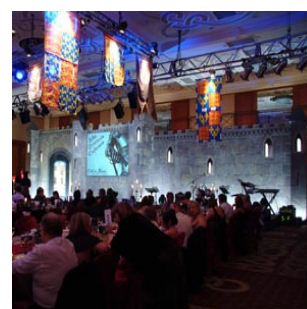

Venue

- » Celtic Manor, Newport, Wales
 - » 5 star property
 - » Superb meeting facilities
 - » Good transport links
 - » Wide variety of leisure facilities

Audience Size—260 guests

Solution

- » The event started with a company meeting and business update in the afternoon and then went on to a gala dinner and awards
- » A medieval theme was chosen for the event with the room laid out as a medieval banquet and decorated accordingly
- » Due to the size of the meeting room a Medieval Castle was built as a backdrop to the stage and combined with a multitude of hanging shield and heraldic banners to give the room a real Baronial Hall feeling
- » Tables were decorated with hessian table cloths, burgundy velvet chair covers, dressed with rustic table centres and scattered with swords, gold and jewels
- » Once the formalities were completed guests could either dance the night away to the band/disco or take part in the activities/entertainment on hand in the bar area.

“ I just wanted to drop you a note to express our thanks ”
 Both the theme and Caernarvon Suite as set up was superb and we are sure you will be able to match this again next time around
